Your individual
FLOATING- & SPA-CONCEPT
for Business & Private

www.openfloat.com

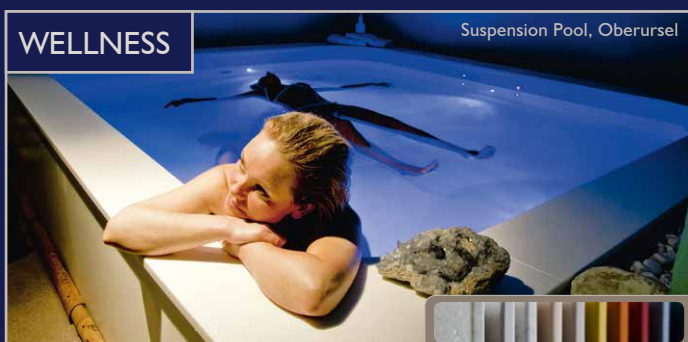

Floating in an open pool **WEIGHTLESS AND FREE!**

Offer your customers the **WELLNESS TREND OF THE FUTURE – FLOATING**

Ensuring the ideal rest, the state of suspension in the water comparable to bathing in the Dead Sea guarantees complete relaxation and relieves stress – wellness, treatment and beauty: 3-in-1!

We integrate your
FLOATATION POOL(S)
into any room space according to your **DESIRE!**

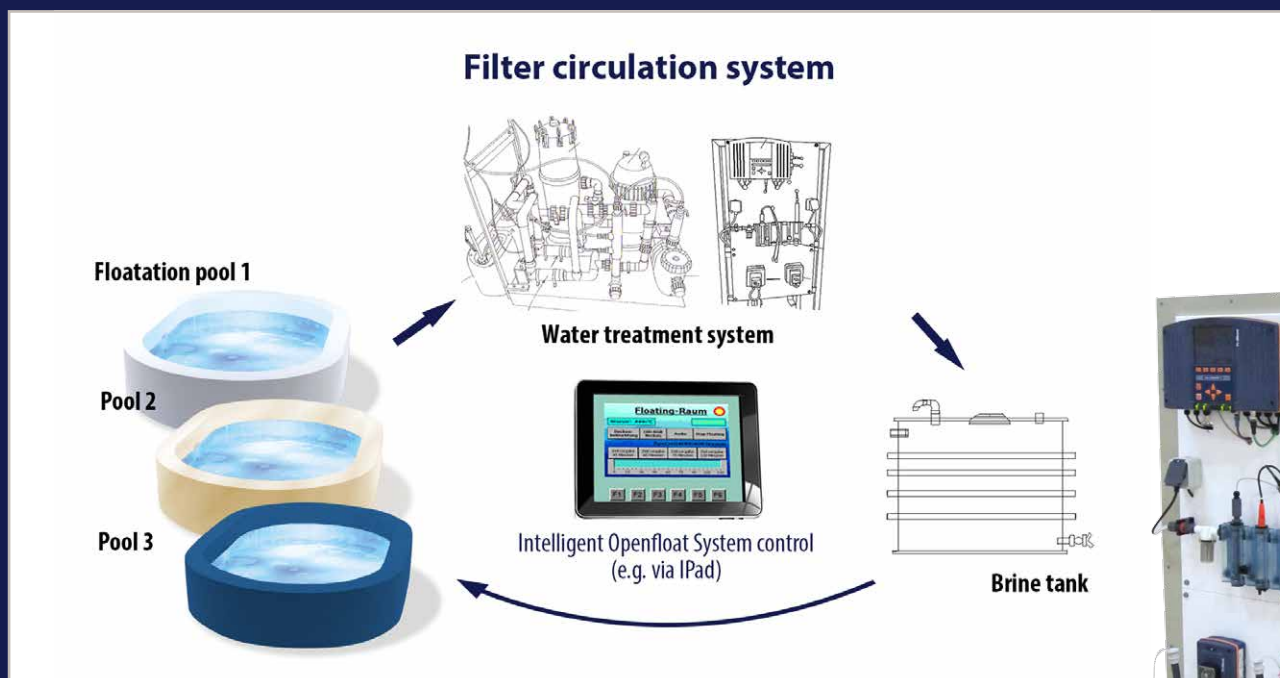

- Our pools are available in all sizes, colours and forms
- Efficient space use with benefit
- High cost savings due to the advanced equipment: thanks to the full-automated filtration cycle no additional staff and training are necessary

Easiest maintenance via

INTELLIGENT OPENFLOAT SYSTEM

- Sanitary treatment technology certified according to DIN 19643 of the German bath regulations
- Fully-automated control system and the easiest maintenance (also via iPad)
- Compact construction
- Easy to install and capable of immediate use
- Single- or multivariable systems for every solution are available
